BODY SCULPTING

CRYO FAT FREEZING

£190

Reduce stubborn fat pockets by 20-40%. Frozen fat cells are gradually flushed out by the body. No down time. Stand alone treatment or as part of a body sculpting package. Suitable for abdomen, 'muffin tops', 'love handle' and inner thighs.

BODY CONTOURING

from £150

Using multiple technologies, such as, cavitation ultrasound, radio frequency and shock wave acoustic therapy, we can target fat pockets, cellulite and tighten the skin, achieving a slimmer look and leaner silhouette. A bespoke package will be planned for you. Around 8 treatments are recommended. Great for tummy, love handles, thighs, muffin tops, bingo wings. Small treatment £150, Regular treatment £190.

POWERSCULPT

£75

30 minutes of high intensity focused electro magnetic waves contract your muscles, as if you were exercising, equivalent to 20,000 crunches per session. Power up your workout, and see toned abs quicker, or for those that cannot exercise, it is now possible to achieve a stronger core, in a course of comfortable treatments. For use on abdomen, buttocks and thighs. Powersculpt treatment £75 (30 min.). Powersculpt course of 8 treatments £480.

HAIR REMOVAL & SKIN HEALTH

BERKSHIRE

CROWTHORNE HEALTH AND WELLNESS CENTRES
99 PINWOOD AVENUE, CROWTHORNE, RG45 6RQ

Consultation at Primelase IS FREE OF CHARGE

Firstly we take your medical history and discuss your skin concerns. We can then create a personalised plan that suits your time, budget and lifestyle. Any prices quoted prior to an in person consultation with a practitioner, are given as a guide only.

SKIN HEALTH FACIALS

All our facials include face and neck. Double cleanse, exfoliation with enzymatic/AHA peel. Treatments end with a mask or Dermalux LED where appropriate. For full description of our facials and optional add-ons, please see website.

LUXURY MICRODERMABRASION WITH DERMALUX LED

£75

Skin resurfacing using medical grade crystals that remove the outer dead skin layer, revealing a fresher, smoother complexion. Manage acne prone skin, reverse signs of sun damage, reduce acne scarring. No down time. Perfect pre special occasions.

CARBOXY FACIAL

£75

CO2 infused gel, encourages an increase flow of oxygen and nutrients to the skin. Improves circulation, resulting in a plumper, tighter, brighter complexion.

DR PLATON PLASMA ACNE TREATMENT

£85
(top up £50)

Plasma destroys acne bacteria and reduces inflammation. Combining microdermabrasion and manual extraction as appropriate. Effective for conditions such as Rosacea, Dermatitis, Psoriasis, Eczema. A course of treatment is required for optimal results. Manual extractions can be added.

LUMA DERM FACIAL

£85

Soothing and repairing. Micro/hydradermabrasion, followed by hydrogel mask, containing hyaluronic acid and niacinamide. Works in synergy with Dermalux LED to heal and calm. No downtime. Especially for dry, traumatised skin.

FRESH GLOW FACIAL

£85

Restores skin's natural glow. Microdermabrasion followed by a purifying peel and 'peel2glow' cocktail of active ingredients, such as peptides and anti-oxidants. Dermalux LED.

LIFT AND HYDRATE FACIAL

£85

Combines radio frequency (RF) skin lifting and contouring of ageing skin, with the transdermal delivery of active ingredients. Gives instant, visible results, continuing over a course of treatments for longer lasting results. See improved tone and a rejuvenated appearance.

SMART MESO RESURFACING

£125

Electromagnetic pulses temporarily increase skin cell permeability, allowing serums, such as hyaluronic acid, Vitamin C and other active ingredients to be absorbed into the skin. Improves hydration, pigmentation, fine lines and open pores. Varied topical serums may be used, chosen for your specific skin concerns. A stimulating skin treatment.

HIFU

£150

High Intensity Focused Ultrasound is used to stimulate deeper layers that support the skin creating a lifted, firmer appearance. Ideal for lower face and double chins. Temporary swelling and tenderness after treatment. 2 treatments per year.

EVE ELECTRICAL FACIALS

£50-£125

Multiple microcurrent functions and Electro Muscle Stimulation (EMS) programs. Microcurrent reactivates skin cell metabolism, regeneration and circulation, improving lymphatic drainage. Relaxes expressive wrinkles. EMS is like a gym session for the facial muscles, giving a toned effect. Regular treatment recommended.

IPL SUN DAMAGE REVERSE FACIAL

£170

Multiple wavelengths of Intense Pulsed Light, stimulate collagen at a deeper level. We then target redness, broken veins and unwanted brown spots. From freckles, age spots, persistent acne scars, large pores. Also for rosacea prone complexions. There may be some minor downtime. Discuss with your therapist.

SKIN NEEDLING

DERMAPEN 4

£150-£200

Dermapen 4 – Glides over the surface, quickly creating millions of fine channels in the skin. These micro-injuries trigger a natural process of repair, increasing collagen and elastin production. Topical nutrients and active ingredients enter these channels for enhanced results. Proven effective for lines, pores, acne and acne scarring, pigmentation, stretchmarks and post-surgical scarring. Course of treatment required for best results. Includes, hydrating mask. Optional add on - DP4 Über skin peel.

FRAX RF

£150

Combining two proven ways to stimulate new collagen production. RF energy flows through fine needles, to enhance the healing response. Improves; acne scarring, pores, and fine lines. Helps to give a smoother appearance to stretchmarks. Course of treatment recommended for best results. Topical numbing cream pre treatment recommended.

FACIAL VEINS AND BROWN SPOTS

IPL – for facial veins / rosacea / pigment / acne / sun damage / collagen stimulation

£90 / £150
/ £170

Intense pulsed light delivers light energy, to clarify and brighten the skin surface - shutting off broken blood vessels and reducing brown spots. A course of treatment may be required. Face/neck/decollete/hands can be treated.

SKIN PEELS

Peels in conjunction with good skincare can be transformational, making the skin behave in a more youthful way. Improves skin tone, pores, and fine lines. Treat the face and body. There is a peel for every skin type. Your therapist will select the best one for you.

TCA, Glycolic, Peppermint peel, Bio re peel, Mandelic, Easy Phytic Price £85-150.

INJECTABLES

SKIN BOOSTERS

Crystal clear hyaluronic acid gel acts as an injectable 'moisturiser'. Delivered in a series of small injections. The treated areas appear more hydrated, firmer and radiant. Great for face, neck, decollete and hands. A course of treatment is required for best results. From £105.

POLYNUCLEOTIDE / LUMI EYE FACIAL

Polynucleotides are purified fragments of DNA. When delivered into the skin, they promote hydration, healing and reduce inflammation, reduce fine lines, increase radiance, give a firm and toned appearance.

When injected around the eye area, can reduce dark circles and give a more refreshed appearance. A course of treatment is required for best results.

Polynucleotide Skin Treatment from £175 / Lumi Eye from £95

SKIN LESIONS/SKIN TAG

Skin tags, Milia, seborrheic keratosis, warts, papulosa nigra, dermal naevus, sebaceous hyperplasia, cherry angioma, dermatofibroma. If you are bothered by any of these benign skin issues, we can help, using Accor Plasma Pen treatment. Often instant results. Healing time required. A letter from your GP may be required.

Skin Lesions / Skin Tags from £50 depending on size and number of lesions.

LEG VEINS

Little red, blue and purple veins can be safely treated with microsclerotherapy. A sclerosant liquid is injected into the veins, using tiny, fine needles. There is some initial local irritation, before the treated vein starts to fade over the days and weeks. A course of treatment may be required.

Leg Veins – Pricing given at consultation £150-£200.
